Senior Computer Science student at King Saud University, Founder/President of the Tuwaiq Academy Student Club. Founder of Pixel Studio, where I led an end-to-end client project delivering the official website and a playable game experience for the Saudi Movie Fakhr Al-Suwaidi. Passionate about AI and cloud solutions, using technology to solve complex problems, lead initiatives, and deliver practical solutions. Finished Stage 2 of the KAUST Academy Artificial Intelligence Specialization.

EDUCATION

Bachelor of Science in Computer Science (GPA 4.81)

Jun 2022 – Present

King Saud University — Riyadh, Saudi Arabia

- Expected Graduation: 2026

Artificial Intelligence Specialization

Aug 2025 – Present

KAUST Academy — Riyadh, Saudi Arabia

- Finished the Second stage of the program

PROJECTS

Fakhr Al-Suwaidi Game & Website – Project Manager

May 2025 – Jun 2025

- Led a full client project through Pixel Studio, a game studio I founded. The project was based on the Saudi Movie Fakhr Al-Suwaidi, which sold over 100,000 tickets in its first two weeks. I initiated contact with the film director and secured the collaboration. I designed the film's official website and oversaw the complete production process for both the site and a real-world playable version of the fictional game featured in the film.

Simple Search Engine — Java, BSTs, Inverted Index

Dec 2024 – Jan 2025

- Built a Boolean-based search engine using Java and Binary Search Trees, supporting term frequency ranking and fast keyword queries.

EXTRACURRICULAR ACTIVITIES

Pixel Studio – Founder

Jan 2025 – Present

- Founded a game studio and led the full development of "Fakhr Al-Suwaidi," managing the project end-to-end from securing the deal to execution and delivery. Oversaw creative direction, technical development, and business coordination to ensure successful launch.

Tuwaiq Academy Student Club – Founder & President

June 2025 – Present

- Leading the Tuwaiq Academy Student Club at KSU, an umbrella student community under Tuwaiq Academy, overseeing sub-clubs including the AWS Student Club.

Future Technology Club – Core Contributor

Aug 2023 – Present

- Part of KSU's largest student tech club (highly selective membership). Held multiple roles across Innovation, PR, Media/Social, and Content, delivered 5+ projects and contributed to 10+ initiatives, supporting the club's growth and reach.

CERTIFICATIONS & COURSES

Sustainability Masterclass – Accenture Middle East

Apr 2025

Manage a Project with Digital Tools – Grow with Google

Oct 2024

IBM EYOUTH Program – IBM

Dec 2025 – Jan 2026

AWS Cloud Practitioner ([in progress](#)) – Amazon Web Services

Jan 2026 – Present

TECHNICAL SKILLS

- Languages:** Python, Java, C/C++, C#, SQL (MySQL), NoSQL, JavaScript, HTML/CSS
